Mill Valley, Calif.
September 13th. 1900.

Robert E. Graham.
Clerk of the County of Marin.
San Rafael, Calif.

Dear Sir:-

As requested by Mr. Ring I furnish you the mileage of the two railroads lying within the boundaries of the incorporated town of Mill Valley, to-wit:

M.V. & Mt. T. S. Ry.--- 9136.32 ft. = 1.73 miles.
N. Pac. Coast Ry.------ 7334.60 ft. = 1.39 miles.

These distances were obtained by scaling from a map, and are therefore approximate, though probably sufficiently exact for purposes of assessment.

In one instance the center line of the Scenic Railway is the boundary line of the town for a distance of 7700. feet. In this case I took one half of this distance as being within the town, and one half as being outside.

The total mileage of Scenic Railway is 8.19 miles, of which 6.46 miles lies outside of the corporate limits.

Yours Very truly,
A.D. Abery
